

A Moment of Reflection: A Look Back in Time for Members of KCRTA

What TEXAS RETIRED TEACHERS ASSOCIATION has accomplished for ALL TEXAS RETIRED EDUCATORS

Our Texas Retired Teachers Association has successfully achieved Benefit Enhancements in the 2019, 2021, 2023, and 2025 Legislative Sessions for all Texas retired educators. Our state association has led the effort to put money into the pockets of Texas Retired Public Educators through ***stipend checks, the COLA, the REPEAL of the WEP/GPO, and a reduction in our health care cost.*** However, these achievements would not have been possible without your membership in TRTA/KCRTA. So, we say, **"Thank YOU" KCRTA members** for working with TRTA members across Texas to achieve these goals! **With your support**, the future continues to look bright for All Texas Retired Educators! Kendall County Retired Teachers Association welcomes all of our members into the 2025-2026 year of KCRTA activities.

It is not too late to renew or to join Kendall County TRTA/TRTA. Membership forms have been sent to current members and new enrollees. Being a KCRTA/TRTA member is a great way to show your thanks for all the work our local and state legislative committee members have done to help us get the repeal of the WEP and the GPO and to continue protecting our TRS Annuity/Benefits. We welcome new members as well as say "Thanks" to our current members for their loyalty to the KCRTA local group and to our state TRTA.

If you would like a membership form, see attachment for a copy you can print, fill in and return to KCRTA.

Hot news Flash!!! For the first time ever, the 2026 TRTA Convention in April will be a ZOOM Convention. What
