

Greetings Kendall County Retired Teachers,

Our September Fall Luncheon with our guests Dr. Kristin Craft, the Boerne ISD Superintendent, and Dr. Anne Boothe, the Comfort ISD Director of Academic Affairs, was a great success. Our attending members learned about Boerne ISD's numerous successes and an explanation of the upcoming Voter Approval Tax Ratification in November. Follow the link for more information. <https://www.boerneisd.net/about/voter-approval-tax-ratification-election>. Comfort ISD shared the exciting news that their State Rating is up! KCRTA members applaud the tremendous effort and success of the Comfort ISD students, teachers, and central office personnel! Comfort also presented this school year's new, community approved four day school week. As retired educators and school personnel, we always appreciate being updated on our school districts' awards, activities, and future plans.

Our 2nd Vice-President and former art teacher, Frances Zamorano, will be our art project instructor. She will be helping us create a fall painting decor for our homes. This requires reservations to make sure we have enough supplies. Please text Frances at (361) 455-6621 to let her know you are coming. This art project will be a lot of fun for all!

**Comfort ISD Traditional Thanksgiving Lunch and Student Program
for Retired Teachers**

**The exact November date To Be Announced
Comfort ISD Middle School
216 High St.**

This is a yearly event that Comfort ISD plans for Comfort and Boerne retired teachers. They serve a delicious traditional school Thanksgiving meal complete with pumpkin and pecan pie. Then, the students present a delightful program for us. More details will be provided closer to the date.
