

Merry Christmas to all of our Kendall County Retired Teachers Members!

As Texas Retired Teachers Members, we have much to be joyful for this year. The most significant, of course, is the repeal of the WEP and GPO. In the Boerne and Comfort ISD areas, one thousand two hundred fifty-four (1,254) retired educators received social security increases totaling NINE MILLION, three hundred sixty-eight thousand and eight hundred fifty-one dollars (\$9,368,851.00). Wow! Just think in our lifetime! Who would have thought this would be possible! Not only did we receive more retirement income, but more money also came with NO increase in our TRS health premiums. We owe Tim Lee, Brock Greg, and the entire TRTA staff a debt of gratitude for the countless hours, days, and months that they spent working towards this wonderful outcome! But, now, out comes the Christmas Grinch. In the 2025 Texas Legislative Session 2025, retired school district personnel received NO TRS Benefit Enhancement plus a concern arose about the effect that teacher educator salary increases might have on the TRS Fund. So, there is no time to be complacent! Retired educators must continue to protect our benefits and support TRTA/KCRTA, the organizations that are there to fight for us. It is vitally important that as current TRTA/KCRTA members, we maintain our **state and local memberships in 2026** and encourage those retired school employees who are not members to become members. Strength is shown by membership numbers. Strong membership in TRTA reminds our legislative members that maintaining a viable TRS fund is important to them as well as to us! Now, on to KCRTA upcoming events...

KCRTA Calendar of Events

Volunteer Hours

Another way to demonstrate TRTA/KCRTA strength-in-numbers is by turning in the volunteer hours that you accrued from January thru December of 2025. Your totals do not need to be exact; good estimates of hours will do. Don't forget to include travel time. Also, attending KCRTA, District 20 meetings, or volunteer planning meetings are part of your volunteer hours. Our hours transfer into MONEY so that our legislators know how much retired school personnel contribute to our respective communities. I have attached a simple tally sheet for volunteer hours in case you would like to use one. Please text or email your 2025 hours to Susan Brown (That's me.) after January 1, 2026.
